Caribbean Medical Mission

Our Endeavor Is To Serve The Needy!

Our Endeavor Is To Serve The Needy!

The Caribbean Medical Mission (CMM) was formed by a group of physicians, nurses, medical assistants, and other individuals. CMM continues to grow tremendously, expanding the diversity of our membership to embrace multiple sub-specialists in medicine, dentists, pharmacists, educationalists, dietitians, clergymen, businessmen and other individuals from various walks of life who volunteer their time and service because they support our mission statement.

Over the years our members have visited and treated patients in Guyana, Jamaica, Nigeria, St. Vincent/Grenadines, Grenada, Trinidad, Dominican Republic, Haiti, and at local health fairs in Essex County.

We have also donated various items such as:

- Hospital beds
- Mattresses
- Night Stands
- Bed-side tables
- Clothing
- Wheel Chairs
- X-Ray film developing processors
- Computers
- Books
- Eye-glasses
- Surgical kits
- Blood Pressure/Sugar monitors

Our services are free of charge.

CMM plans to increase its organizational awareness by sharing our achievements, experiences and difficulties, in improving the health of the communities we serve.
